Fiat	Scudo, Ulysee
Lancia	Phedra, Zeta
Peugeot	206, 307, 406, 407, 607, 806, 807, Expert

APPLIES TO ENGINES:

1.8, 16V, 2,0 16V, 2.2

APPLIES TO PART NO.:

Vehicle Manufacturer:	RUVILLE-No.:	OE-No.:
Citroën, Peugeot	55950	0830.42
Fiat, Lancia	55950	9400830429

As part of our continuous efforts to improve our products, the material of deflection pulley 55950 has been changed from metal to plastic. The pulley width of the new design is also 30 mm which is smaller than the metal design.

This technical modification provides a reduction in weight and improved running characteristics.

During the transition period, we may have mixed stocks of both types. Both versions fulfil the relevant technical specifications and can be used without restrictions.
